Thank you for your purchase

You have purchased editable Instagram carousel templates sized 1080 x 1350 px (4:5). Use the links in the accompanying Template Links PDF to create your own Canva copies.

What to do next

1. Open the Template Links PDF.
2. Click the link for the design you purchased.
3. Sign in to Canva or create a free account.
4. Select Use template. Canva makes a private editable copy for you.
5. Read the Buyer Instruction Guide before editing or downloading.

Important

This is a digital product. No physical item will be shipped.

The template itself may not be resold, shared, redistributed, or claimed as your own. You may use the finished posts for your own business or personal content.

If you have an access problem, message the seller through Etsy with your order number and the name of the template.
